

Welcome to the Texas Board of Professional Engineers' (TBPE) Quarterly Board e-Newsletter!

As part of our ongoing efforts to improve communication between the Board and license holders, an email notice will be sent out after each Quarterly Board Meeting with news, highlights, and updates on Board activities. This e-Newsletter is in addition to the yearly paper newsletter.

Highlights:

- The Board held its November meeting at the Board office in Austin, TX. To view the meeting agenda and to listen to recordings of the meeting, [click here](#). Note that you can earn PDH as self-study for watching Board meetings.
- At the Board meeting, several enforcement actions were taken against individuals and engineering firms. For more information about these cases, [click here](#).
- Reminder: The Board has passed rules (§137.33 and §137.77) that require all engineering documents released, issued, or submitted by or for a registered engineering firm, including preliminary documents, to clearly indicate the engineering firm name and registration number. It is both the responsibility of the PE that signs and seals a document and the firm that releases the document to verify that the firm name and number appear on the engineering work. Note that the Board will begin active enforcement of these rules as of **January 1, 2010**. For more information please visit the [Frequently Asked Questions Page](#).
- During FY 2009, the Board set record outreach numbers, making 120 presentations to 6,928 attendees. So far in FY 2010 we are ahead of the 2009 pace and are ready to do more. If you are interested in having a representative from the Board visit with your organization, company, or university to make presentations on ethics, licensure, enforcement, or any other issue relating to professional engineering in Texas, please contact our outreach coordinator Dorothy Nieto at dorothy.nieto@tbpe.state.tx.us.

You received this message because you are a Texas licensed professional engineer and have indicated that you wish to receive electronic correspondence from the Board. If you wish to discontinue receipt of this e-Newsletter and other messages from the Board, you can change your preferences online using the ECHO system: https://www.tbpe.state.tx.us/echo_login.php
